DIV. OF OIL, GAS & MINING

Mr. Lynn Kunzler,

Nielson Construction hereby requests an amendment to Nielson Construction's Limestone permit # S/049/0052. The revised Small Mining Permit N.O.I. is attached.

We also wish to withdraw our Notice of Intention to Commence Large Mining Operations for the Emma Park Pit (permit # M/049/0073).

The revised size requirement for small mining operations in unincorporated areas to 10 acres will be sufficient to allow us to continue our operations while limiting exposure to Nielson Construction and the State of Utah.

Thank you for your consideration of this request.

Sincerely,

W. Wayne McCandless
